Work Experience

- 2021-2022 Junior Data Analyst at the Global Trade Alert.
Performed data analysis and visualization for the Global Trade Alert, an initiative of the St. Gallen Endowment for Prosperity Through Trade. Worked as part of the Research team. Developed strong team-work and problem-solving capabilities. Built bi-annual and special reports on trade, in collaboration with superiors. Used R programming, GitHub and Microsoft Excel.
- 2020 Summer Intern at EFG Bank AG.
Worked for the Group Operational Risk & Internal Controls department and reported to the Head of Operational Risk. Conducted risk analysis and experienced the downsides of working with poor quality data. Reviewed documents on governance and developed an operational risk self-assessment tool.
- 2017 Intern at Cleary Gottlieb Steen and Hamilton LLP.
Worked in the documentation section of the law firm. Reviewed legal documents and jurisprudence and discovered the organization of a law practice.
